The curriculum is designed to fulfill the mission, vision and philosophy of the Bon Secours Memorial College of Nursing. The Bachelor of Science in nursing (BSN) program delivers progressive, sequential course work that consists of 124 college credits.

Course Prerequisites and Co-requisites

Nursing and selected non-nursing courses have prerequisites that must be successfully completed prior to enrollment in these courses. Upon registration, prerequisite and co-requisite courses must be fulfilled or a plan approved to complete all prerequisites. Prerequisite or co-requisite equivalencies may be approved by the Bon Secours Memorial College of Nursing. *Any change in course sequence is on an individualized basis and subject to administrative approval.*

Definitions:

Pre-requisite courses: a course that is required prior to taking another course

Co-requisite courses: a required course that must be taken in combination with another course or may be taken prior to the noted course(s).

The following tables describe the pre-licensure BSN and post-licensure RN-BSN pre-requisites and co-requisites. Please note that the BSN and RN-BSN have a revised curriculum, both the original and revised with the pre-requisites and co-requisites are provided.
